

Q&D CONSTRUCTION, INC.

est. 1964

Q&D Construction, Inc. is seeking a licensed Professional Land Surveyor with a strong knowledge of the construction industry to fill an open position. The applicant must be able to work as part of a team, be reliable, and have a strong work ethic and a positive attitude. The position will mostly be accomplished from our office; however, the ability to assist in the field operations is sometimes necessary. Candidates will have strong technical abilities with a minimum of 5 years of experience in construction surveying. This position will be directly responsible for all construction surveys and survey workflows. Some additional requirements are:

- ⊗ Have and Maintain a NV PLS and have or obtain a California PLS.
- ⊗ Ability to work in the field on various construction projects.
- ⊗ Ability to create standard practices and procedures.
- ⊗ Competency in Autocad Civil 3d or Trimble Business Center.
- ⊗ Experienced in preparing calculations for construction surveying.
- ⊗ Ability to read plans and create stakeout points accordingly.
- ⊗ Coordination with clients, project managers and field technicians.
- ⊗ Ability to Schedule and support crews in the field, whether in person or remotely.
- ⊗ Experience with Word and Excel.
- ⊗ Ability to create and edit 3-D surface models, cut/fill maps, cut/fill quantities and exhibits as jobs require.
- ⊗ Assist in the preparation of topographic surveys, as-built documents and other exhibits.
- ⊗ Assist in creating 3-Dimensional as-built models.
- ⊗ Clean driving record and valid driver's license.

This is a full time position that offers a comprehensive and competitive benefits package. To be considered, applicants must meet the requirements above. Compensation is commensurate with experience.

To Apply:

- Interested candidates should send the following to info@qdconstruction.com.
- Cover letter stating relevant experience and skills plus salary history in pdf format.
- Resume that clearly documents the required qualifications in pdf format.
